

Our ref: JM/SW

13th November 2017

Dear Parent/Carer

We are running a Maths Help for Parents Evening on Monday 20th November from 6-7pm. We believe that for our students to achieve their best, it is important to have parents and carers involved in their learning too. You will try out different activities and experience how we teach Maths. This event is for parents only and we hope it will help you to open discussions with your child about how and what they learn.

We don't want you to feel that you are going to be judged or asked Maths questions you don't know the answer to; we will do our best to ensure that you will enjoy what you are doing and possibly learn something new too! We are here to help, so please feel free to bring along any extra questions that you may have.

If you would like to attend, it will be very helpful if you complete the attached form, which should be returned to Mrs Murphy (nee Miss Lindon) in D6 no later than Wednesday 15th November. That will give us the time to prepare the resources and ensure we have enough teachers available. We will subsequently confirm your place with a sticker in your child's planner by the end of the week.

If you require any further information please do not hesitate to contact me on 648700.

Yours faithfully

Mrs J Murphy
Faculty Leader of Mathematics

Reply Slip – Maths Help for Parents – Mrs Murphy (Miss Lindon) – 20th November 2017
