Our ref: PAB/HG

8<sup>th</sup> March 2018

Dear Parent/Carer,

Please may we ask for your support in a vitally important matter? One of our students is receiving medical treatment, for a serious illness. This puts the child at serious risk if exposed to measles and chicken pox.

There is absolutely no risk to your child, but if you suspect that he or she may have chicken pox or measles please let us know without delay. The health and well-being of the child who is receiving treatment does depend upon the co-operation of all parents and we hope that you will help us.

With many thanks,

P A Burnett  
Head Teacher
